1. The fee for testing on published dates is R810 (Masters) and R340 (Diploma).
2. An applicant who arrives late will not be admitted for testing.
3. The test fees are non-refundable. Applicants are advised that the Faculty does not issue refunds on admissions test fees in any circumstances.
4. Space for each test session is limited. Applicants are advised to book early, especially for the more popular sessions: year end, closing dates, Saturdays.
5. Unpublished test sessions may be arranged only in exceptional circumstances, at the discretion of the test manager and by special arrangement. In such cases a minimum of two applicants may be tested at a time at a fee of R1 000 per applicant.
6. Applicants are advised that their application is incomplete without the admissions test results. Please check the closing date of the application of the programme you are applying for, and arrange to take the admissions tests by that date.
