- Manages own career to meet personal and company objectives.

ANSWER THE FOLLOWING ADDITIONAL QUESTIONS:

a) What do you envisage yourself bringing to the MAP class in terms of your own work experience, expertise and personal contribution?

b) In what ways do you expect your colleagues to enrich the learning experience on the MAP?

SELF-EVALUATION

In terms of readiness for MAP and specific pre-requirements i.e. prior learning)

- **What are your own expectations of the MAP course?**

- **What do you perceive to be the advantages of obtaining this qualification?**

- **What is your intended strategy i.e. what actions do you intend to take in order to succeed in this course?**

- **The MAP course promotes the principles of self-directed learning. Describe your understanding of this method of learning?**

- **Identify your learning preferences, (how you learn best) and your general patterns of learning.**

- **If you were not succeeding in achieving your goals on this course, how would you rectify the situation?**

- How will you judge your success in this course?

- How do you intend to balance your commitment to the course as well as work and / or other commitments?

- What is your organisation's educational assistance / study policy and describe how this will benefit you?

- Having successfully completed the MAP course, illustrate how you see yourself in your career, in a year's time.

PRACTICAL ASSESSMENT

- Describe how you would calculate (I) a ratio and (II) a percentage and give one use for each of these.

- Describe an incident from your own life where you used your communication skills to resolve a difficult situation - what happened in the end and why so?
