ABOUT THE JOURNAL

The journal is an open-access scholarly journal designed to stimulate and disseminate research that raises awareness of, drives the development of, and promotes adherence to good governance within and between organisations, communities, and countries worldwide. ACG covers governance and leadership, ethics and efficacy, reporting and digitalisation, and sustainability.

PUBLICATION FREQUENCY

Articles are published online when ready for publication and then compiled into a full issue at the end of the year.

OPEN ACCESS

This is an open-access journal which means that all content is freely available without charge to the user or his/her institution. Users are allowed to read, download, copy, distribute, print, search, or link to the full texts of the articles, or use them for any other lawful purpose, without asking prior permission from the publisher or the author.
