WHO IS THIS PROGRAMME FOR?

This MBA is designed for:

- **C-suite executives, senior managers and entrepreneurs** seeking to sharpen their leadership for a global stage
- **Public sector leaders** navigating the challenges of governance, trade, and geopolitics
- **Professionals** ready to manage the complexities of global business while building networks across Africa, Europe, and beyond

PROGRAMME FORMAT

The Global Executive MBA is an intensive 17 month blended programme (January 2027 June 2028) delivered by academic and industry experts from South Africa, and France and designed for busy executives:

Online learning:

Interactive e-learning, live virtual classes, case studies, coaching and peer-to-peer project.

Capstone project:

Integrating learning to develop actionable solutions for actual business issues/problems.

In-person learning:

Five immersive weekend sessions over the programme period in Johannesburg and Paris, combining masterclasses, leadership workshops, and cultural exposure.

Personal development track:

Executive coaching, leadership reflection, and career transformation support.

PROGRAMME FORMAT

This MBA is designed to transform how leaders think and react to global developments.

Core themes include:

Leadership & Organisational Transformation:

Purpose-driven leadership, ethics, resilience, and change management.

Innovation & Digital Futures:

Digital transformation, ecosystems, marketing in the digital era, and business model innovation.

Finance & Operations Excellence:

Corporate finance, supply chain management, and data-informed decision-making.

Responsible Global Leadership:

Negotiation, sustainability, governance, and social impact.

WHY CHOOSE THE WITS-KEDGE GLOBAL EXECUTIVE MBA?

International credibility:

Delivered by two world-class business schools, combining Africa's leading voice in management education with one of Europe's top-ranked, triple-accredited institutions.

A unique Africa–Europe bridge:

Gain global perspectives while learning through the lens of Africa's dynamic markets.

Blended for executives:

Flexible online delivery complemented by high-impact, in-person residencies.

Peer-to-peer learning:

Join a cohort of selected senior leaders, sharing insights across industries, geographies, and sectors.

Transformational outcomes:

Advance your leadership capacity, broaden your strategic horizons, and future-proof your career.
